A HUMBLE APPEAL TO THE CHRISTIANS

Around two thousand years ago Allaah sent Hadhrat Isa (Jesus) as the Messenger of Allaah for the guidance of Bani Israil (Children of Jacob). He was born without a father, only by the ability of Almighty Allaah from the uterus of the Chaste Maryam. Hadhrat Isa (Jesus) like other prophets preached clearly the oneness of Allaah and that Allaah is the only one deserving of being worshiped. Allaah created everything and nothing is deserving of being worshiped except Him. He has no partners nor He has any children. But after so many years Paulus, a Jew, diversed the Christians to the belief that Hadhrat Isa (Jesus) was the son of Allaah, he was killed and his killing expiates for the sins of the people believing him as the son of Allaah. In reality nor he was the son of Allaah nor was he killed, but he was raised up to the sky by Allaah and near the Day of Judgement he will again come to the Earth, kill Dajjal then live a few years and he will die a natural death. This has been said by the last Prophet Muhammad (peace be upon him), and by the last divine book, Quran. Quran says "They killed him not for certain, but Allaah raised him up unto Himself..." (Surah Nisa: verse. 157 - 158)

The Christians because of Paulus invented belief of expiateness, commit the greatest number of sins in the world and have entangled the people everywhere in their forbidden things.

The Christians have changed their religion of believing in the oneness of Allaah and adopted setting up partners with Allaah. They became disbelievers in the oneness of Allaah. They invented children for Allaah. They have totally lost their divine book, Injeel, sent on Prophet Isa (Jesus) from Allaah. They do not have the original book and the four Injeels which they present have no orders of Allaah but are only the events of Isa (A.S.) and are themselves involved in disagreements. What right do they have to preach their changed, self-made religion to the Muslims? In fact, the Christians have adopted partners with Allaah, lost their book and rejected the last Prophet Muhammad (Peace be upon him) as a Prophet. They themselves are the disbelievers and want the Muslims also to become disbelievers. They have adopted the way to Hell but why are they trying to drag Muslims to this Hell.

It is also important to know that the Christians for spreading their false religion, go to the places where Muslims are less Islamically educated. They do not go to places where Muslims are firm on their religion nor to their scholars because they cannot prove their religion as truth by evidences. Another way of Christians for preaching Christianity is to help financially the needy Muslims, by giving them money, they call them towards their false religion. It is enough proof for any religion to be false when money is used as bait.

Thousands of Christian Misioneries are working in the world and big amounts of money are being spend in this field but in fact, the result of their efforts is nothing. Fortunately, Christians in Europe, America, Africa, Asia and Australia are accepting Islaam and Insha-Allaah (Allaah willing) the day is not far when Islam will overwhelm the world.

We call upon all the Christians to repent from their Christianity and accept Islaam. By doing this they will be saved from Hell and will be righteous in order to enter Paradise. Do not be deceived by your Popes. They are trying to take you to Hell along with them. We request Christian priests to accept Islaam themselves and then preach it to their followers, otherwise the oncoming Christian generations will curse them. This is our benevolent advise to you. By following a false religion do not drag your soul into Hell. To follow falseness for worldly greeds, presidential chairs and provisions in preparing for the enternal punishment is causing hardship on the soul.

We end this article by these four verse of the Quran:

"They surely disbelieve who say: Lo! Allaah is the Messiah, son of Mary. The Messiah (himself) said: O! Children of Israeel, worship Allaah, my Rabb and your Rabb Lo! who set up partners unto Allaah, for him Allaah hath forbidden Paradise. His abode is the Fire. For the evildoer there will be no helpers. (72) They surely disbelieve who say: Lo! Allaah is the third of three, when there is no Illah save the One Allaah If they desist not from so saying, a painful doom will fall on those of them who disbelieve (73) Will they not rather turn unto Allaah and seek forgiveness of Him? For Allaah is forgiving, merciful (74) The Messiah, Son of Mary, was no other then a mesenger, messengers (the like of whom) has passed away before him. And his mother was a saintly woman. And they both used to eat (earthly) food. See how we make the revelations clear for them, and see how they are turned away! "

(Surah Maaidah 72-75)
